Other Ways to Give

Please visit our website to make donations online or to contact us about planned giving and bequests. Securities or other investment opportunities are welcome donations as well.

Volunteering fuels the festival! Of course, we're always looking for smart people with willing hands. For more information, visit our website.

The Earla Harding Spark Fund

Consider a donation of any amount to support emerging artists. This fund provides real and tangible support to up-and-coming bands, with special emphasis on those from the western states. Each artist chosen is featured at the festival, so you can see the direct impact of your support!

Thank you for your generosity in whatever form you choose.

You can also mail or hand in this form with your donation at the Wintergrass Patron Lounge.
